of the

## ROU-SVK-UKR-HNG multilateral expert meeting on frequency coordination

18 – 22 October, 1999  
Budapest

At the invitation of the Communications Authority, Hungary (HÍF, hereinafter called: the HNG Party), telecommunication experts' groups from Romania (the ROU Party), the Slovak Republic (the SVK Party) and Ukraine (the UKR Party) paid a visit to the HNG Party. The list of the participants can be found in the Annex 1 to this Protocol.

The Meeting was held in Budapest, from 18<sup>th</sup> to 22<sup>nd</sup> October 1999, to discuss different questions of frequency planning and coordination issues in a number of frequency bands.

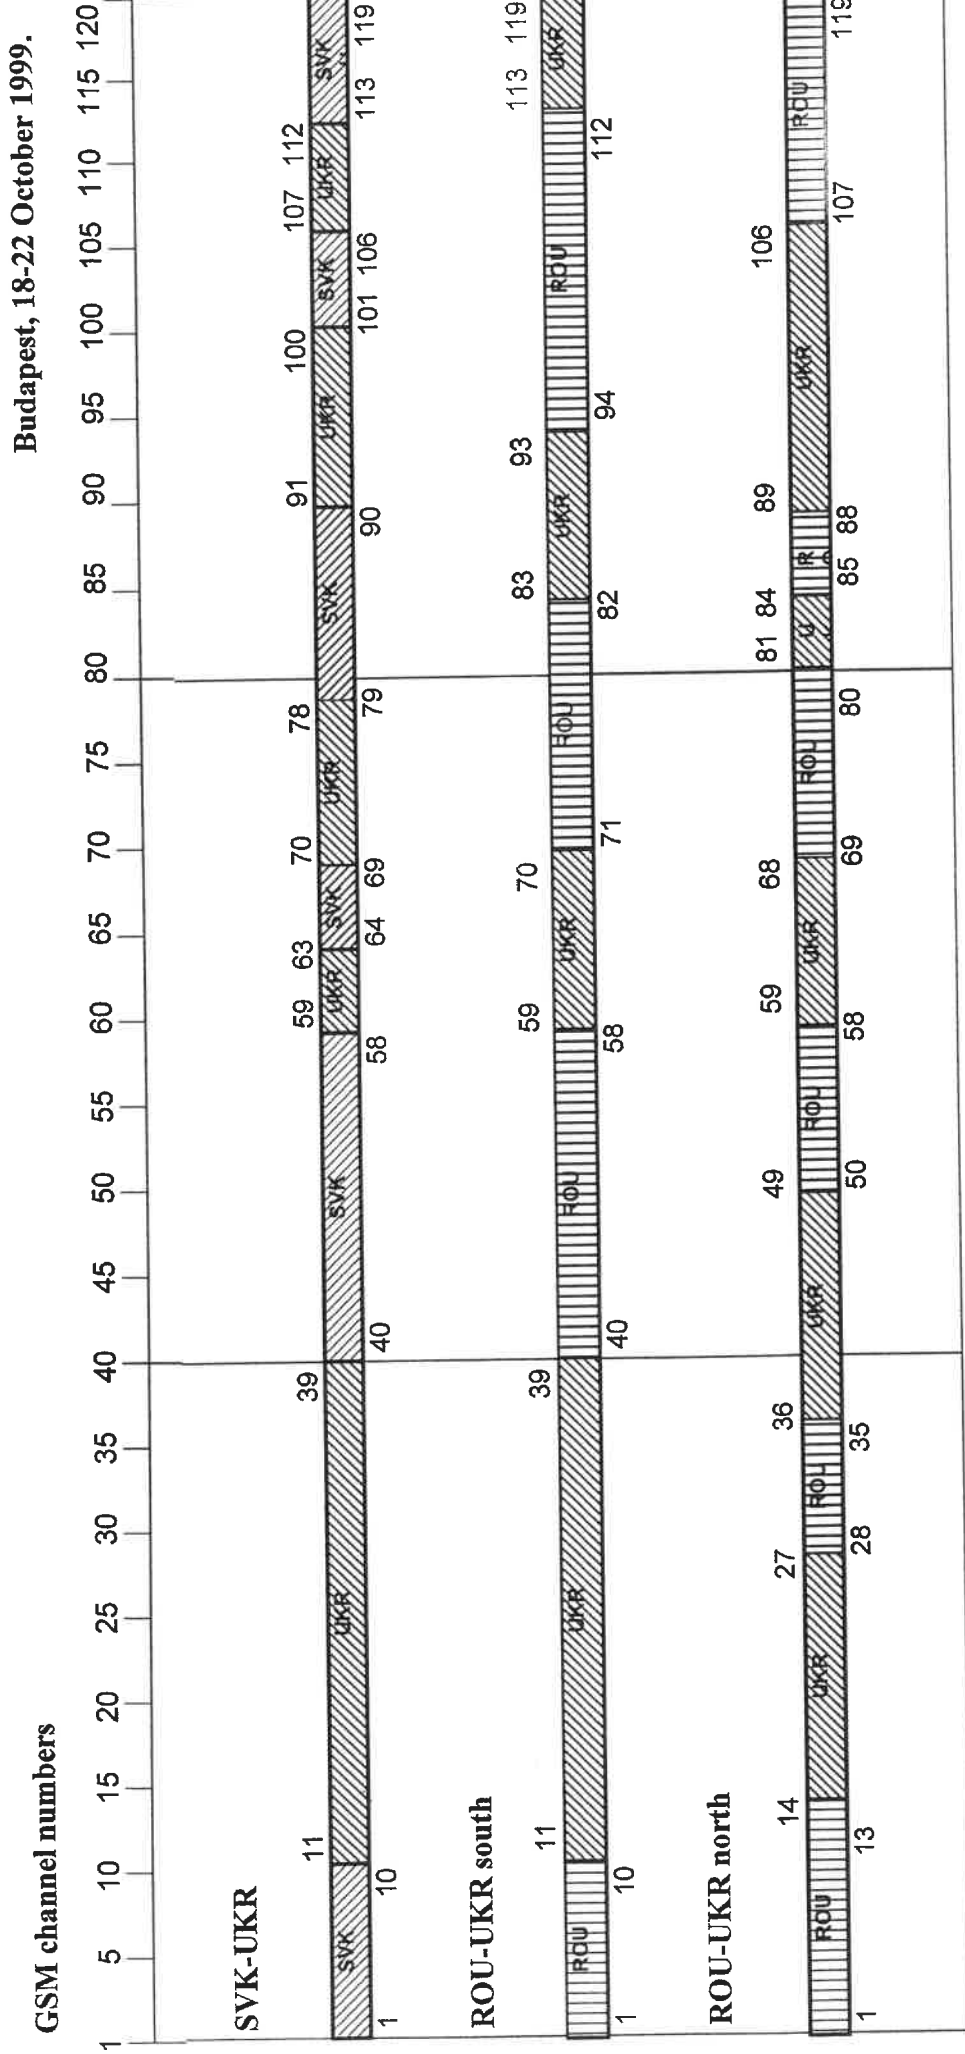

### To the Agenda item 1

- 1 Mr. FRISCHMANN Gábor, President of the HÍF, opened the meeting. After a sincere welcome, he underlined the growing importance of the frequency planning and coordination issues, in the light of the technical evolution and the growing customer needs in the area of radiocommunication services.

### To the Agenda item 2

- 2.1 Dr. EISELT Béla, Chairman of the Meeting, outlined the Draft Working Schedule of the Meeting and asked for comments and/or modification proposals of the Parties.
- 2.2 The Chairman informed the Parties that bilateral meetings could be organised in addition to those requested in written form during the organisation phase. It is up to the participants of the bilateral meetings to make the minutes of their talks as they find it convenient. Such minutes will be included to the present Protocol (see Annexes 6, 11, 12).
- 2.3 After a short discussion, the Parties adopted the proposed Agenda (Annex 2 to this Protocol) and the modified Working Schedule (Annex 3 to this Protocol).
